

STEFAN KALMER'S
VOICES IN TIME
 ROCK & JAZZ CHOR MÜNCHEN

The Munich-based Jazz and Rock choir **VoicesInTime** has, for several years, been counted among the leading European choirs of its genre. After winning the German choir competition in 2006, the choir has been busy following invitations to South Korea, Cuba and various national festivals.

VoicesInTime uses multifaceted sounds and a relaxed groove to present a very broad spectrum of popular music in powerful and unique a-cappella arrangements. In addition to adaptations of standards from Nat King Cole, Ray Charles or Quincy Jones, amazing encounters with Rammstein, Händel, Shakespeare and Umberto Tozzi surprise the audience and characterise this choir's unique and distinctive profile.

VoicesInTime feels at home both in jazz clubs as well as at festivals and in concert halls.

Stefan Kalmer founded the choir in 1996. After having graduated from the University of Music and Performing Arts Munich, he was teaching popular music and is conducting the jazz choir there. He has also given courses at the musical universities of Hannover, Regensburg and Würzburg and is a music teacher at a high school. He has been a member of the Munich via-nova-chor for more than a decade and performs as a jazz violinist in the Orange String Quartet.

Stefan Kalmer gives workshops for rock, jazz and crossover in choir music, works as a competition judge, and arranges, composes and publishes choir music.
